Si llegim cada columna de dalt a baix:

5            `As I stood there musing  
over this too perfect triumph of man, the full moon ...  
I do not remember all I did as the moon crept up the  
sky. I suppose it was the unexpected nature of my loss  
that maddened me. I felt ... I could work at a problem  
for years, but to wait inactive for twenty-four hours--  
that is another matter.            `I got up after a time, ...  
I was sensible of much which was unseen, and which  
contributed to my comfort; but save for a general  
impression of automatic organization, ... I would  
watch for her tiny figure of white and gold so soon as  
I came over the hill.            `It was from her, too, that I  
learned that fear had not yet left the world. She was ...  
Then the thought of the absolute security in which  
humanity appeared to be living came to my mind.  
And then I remembered that strange terror of the  
dark. Overcoming my ... that such work as was  
necessary to the comfort of the daylight race was  
done? The notion was so plausible that I at once  
accepted it, and went on to assume ...
